<b>(A) <u>Declarations on licence application:</u></b>								
1. Name and full address of end-user	√	√	√	√	√	√	√	√
2. End-use of the goods	√	√	√	√	√	√	√	√
3. Details of the supporting US export licence							√	√
<b>(B) <u>Supporting Documents</u></b>								
1. Copy of US export licence giving explicit approval to the export/re-export concerned							√	√
2. Technical specifications and/or the completed questionnaire <sup>Note 1</sup>	√	√	√	√	√	√	√	√
3. End-user Statement duly completed by the end-user <sup>Note 2</sup>	√		√	√	√	√	√	√
4. Letter issued by the US manufacturer confirming its knowledge of the export/re-export concerned <sup>Note 3</sup>				√		√	√	√
5. High Performance Computer Undertaking duly completed by the end-user <sup>Note 2</sup>		√						

\* Country Tiering System specified in the US Export Administrative Regulations (EAR).

^ CTP = the composite theoretical performance ("CTP") of the computers and are measured in Million Theoretical Operations per second (Mtops)

**Notes**

1. Can be waived if the products have been pre-classified and given a Pre-classification Reference No.
2. May be waived if the computers are returned to the originating countries
3. May be waived if the licence applicant is the products' manufacturer or its subsidiary in Hong Kong

*Reminder: The above is for general reference only. Documents and declarations required to support your licence applications may vary from case to case.*
