(G) CONDITIONS OF "NO LICENCE REQUIRED" NOTIFICATION

- (1) The "No Licence Required" Notification is granted in reliance on the information provided and declared by the applicant on the application under the stated Application Receipt No.. Provision of the false information or making the false declaration in the said application shall render this Notification null and void.
- (2) Although no licence is required under the Import and Export (Strategic Commodities) Regulations for the commodity (commodities) concerned, the applicant/licensee shall be required to check with the manufacture/foreign exporter to ensure that the commodity (commodities) concerned is/are in full compliance with the export/re-export control regulations and arrangement of the product supplier/originating country (place).
- (3) The control status of the commodity in Part (F) is subject to changes, in particular when the Director-General of Trade and Industry by order amend the Import and Export (Strategic Commodities) Regulations (Chapter 60G). In such circumstances, traders are advised to check again the control status of the commodity.
- (4) In case the goods covered by this Notification is not for the applicant's own use but is to be further transferred, the applicant should ensure that the recipients of the goods are duly informed of all the conditions of the Notification.

Issued by :

(VINCENT TSANG)
for Director-General of Trade and Industry

Other than strategic commodities, there are a number of articles the import and/or export of which are prohibited or controlled under the provisions of the Import and Export Ordinance or other ordinances/ regulations under the Laws of Hong Kong. These articles may need to be covered by licences, permits or certificates issued by the relevant Government departments and subject to the terms and conditions imposed. Examples of such articles are **Controlled Chemicals, Outboard Engines exceeding 111.9 Kilowatts (150 Horsepower), Ozone Depleting Substances, Pesticides, Pharmaceutical Products, Medicines and Dangerous Drugs, Radio Transmitting Equipment, Radioactive Substances/ Irradiating Apparatus** etc.. You are advised to check with the department or licensing authorities concerned in case of doubt. More information on commodities subject to import and export control may be found in the website of Trade and Industry Department at <http://www.tid.gov.hk> .
